

Get your students STAMPED at the 2006 KWLA World Language Festival!

World Language Teachers:

Are you bringing level three and/or level four students to the 2006 State World Language Festival at the University of Kentucky? If so, sign them up to take the on-line STAMP test (Standards Based Measurement of Proficiency) now being piloted around the state and endorsed by the Kentucky Department of Education.

As part of an Improving Educational Quality (IEQ) grant funded by the Council for Postsecondary Education, the University of Kentucky will make 50-70 tests available for students at this year's Festival. All results will be shared with students' teachers. Participating students will receive an award acknowledging their participation and be recognized at the awards ceremony.

To learn more about the test go to Language Learning Solutions Website:
